

**HIGH QUALITY,
HIGH PERFORMANCE
AIR MOVERS
FOR DRYING
APPLICATIONS**

**AVENGER
APOLLO
AIR MOVERS**

Applications:

Ebac's all new AVENGER and APOLLO Air Movers are a great supplement to Ebac Dehumidifiers to speed the drying of wet carpets, pads, floors, and walls. Our exclusive aerodynamic design delivers maximum performance – more airflow and higher static pressures than other models.

Features:

- 1) Stackable to minimize space required for storage and transport
- 2) UL approved, thermally protected motor
- 3) Four operating positions
- 4) Powerful, durable, lightweight
- 5) Safety circuit breaker
- 6) 25 foot water resistant cord
- 7) Convenient cord wrap
- 8) Balanced carrying handle
- 9) Easy access for serviceability
