About Dimplex

At **Dimplex**, comfort is more than just a temperature, it's the feeling of warmth on a quiet morning, the glow of a welcoming space, and the **confidence that comes from technology designed to perform beautifully and reliably.**

As part of the Glen Dimplex Group, the world's largest manufacturer of electrical heating, **we've been redefining comfort since 1973 through innovation, design excellence, and a commitment to sustainability.** From pioneering the first electric fireplace with a "wood burning" flame effect to leading the way with technologies like Optiflame® and Optimyst®, **our products are crafted to be both functional and visually striking, enhancing residential, commercial, and hospitality spaces alike.**

What truly sets Dimplex apart is our **customer-first approach**, backed by a **responsive service team** and an **Extended Warranty Program** that ensures peace of mind long after installation. Whether you're creating a cozy retreat or a bold commercial statement, **Dimplex is your trusted partner in bringing comfort to life.**
