Dual Fuel	All types of furnaces/boilers plus heat pumps	Supports up to 4 stages of heating (2 stages heat pump, 2 stages auxiliary heat) and 2 stages of cooling
Conventional Heating and Cooling	All types of furnaces/boilers plus all types of air conditioners	Supports up to 2 stages of heating and 2 stages of cooling

MST07 SPECS

Dimensions L x W x H

3.77 (L) x 3.77 (W) x 0.94 (H) in

96 (L) x 96 (W) x 24 (H) mm

Power

24V AC, 50/60 Hz

Mounting Type

Wall Mounted

SMART WiFi TECHNOLOGY

Comfort meets smart wifi connectivity with the MRCOOL® Connect app that offers an all-in-one solution to control your comfort and manage your energy efficiency.

ONE APP CONTROL

The MRCOOL® Connect app offers a control solution to manage your central and single-space air conditioners.

SMART SCHEDULE

Customize your schedule or use preset options like home, away, and sleep for the perfect home environment.

CUSTOM THRESHOLDS

Tailor your comfort to your exact needs by setting custom temperature thresholds to ensure efficiency.

ENERGY DASHBOARD

Track your heating and cooling patterns to enhance your energy efficiency and maximize your savings.

EXTEND YOUR REACH

Add up to ten remote zone sensors to read the temperature in any room of your home, ensuring that you will experience whole home comfort.

REMOTE ZONE SENSOR

Read the temperature and humidity in any room of your home.

- Battery operated - 2 AAA batteries
- Senses temperature
- Senses humidity
- Wall mounted

* Sold separately.

DIY FRIENDLY INSTALL

The hassle-free, do-it-yourself install saves you both time and money, putting comfort right at your fingertips. Designed with the homeowner in mind, this thermostat ensures a quick and easy setup.

EFFICIENT LIVING AND SMART SAVINGS

Where comfort meets smart wifi connectivity and easy installation.
