SWAMPNESS MONSTER

Evaporative Coolers

36" - 48" EVAPORATIVE COOLERS

BUILT TO LAST! LARGE OR SMALL; MEETS EVERY COOLING NEED

SWAMPNESS MONSTER

Evaporative Cooling Built to Last!

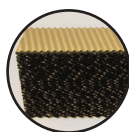

Swampness Monster evaporative coolers are available in both stainless steel or a black coated finish. Both provide durability and long life. They hold their shape in sunlight and can be easily wiped clean after many years of use. Evaporative Coolers provide outstanding air flow and cooling in all areas where evaporative cooling is most effective.

POWDER COATED GALVANIZED FRAME

Durable powder coated finish is 3 times thicker than conventional paint and adds a level of protection to an already heavy duty galvanized frame.

ANTIBACTERIAL COATING

The paper media (pads) keep bacterial growth down plus provides structural strength and extends the life of the pads.

HINGED TOP COVER

Provides easy access and maintenance to the pads. The pads will need to be removed and cleaned periodically. Provides direct access internally.

VARIABLE SPEED SYSTEM

With ten speeds to choose from, this unit can provide effective spot-cooling for multiple applications.
