

MODEL APT2 PORTABLE THERMOSTAT

Installation Instructions

NOTE: The accessory described in this instruction manual is intended for use with Marley Engineered Products 202SLB Underdesk Heater.

CAUTION: The maximum current rating for this accessory is **10 amps**. Attempting to use this device with a higher current load would exceed its capacity and could result in a fire or permanent damage to this device.

SPECIFICATIONS

Model No.	Description	Electrical Ratings
APT2	Snap Action, Bimetal	10 A 1200W max. 110-120 VAC

INSTALLATION

Mount the hook side of the velcro tape to the thermostat and the loop side of the velcro tape to the place at which you wish to mount the thermostat. Press the pieces together to hang the thermostat. Plug heater into thermostat receptacle and plug thermostat into any 110-120VAC outlet.

CONTROL ADJUSTMENT

The control knob on the front of the thermostat permits adjustment from low (L) 40 degrees F to high (H) 100 degrees F. The medium setting (approximately 70 degrees) is halfway between the two extremes and is marked on the thermostat (M). Adjust the setting from this position clockwise for higher temperature as required. Once the desired temperature is reached, the thermostat will control the heater to provide the right amount of heat.

LIMITED WARRANTY

All products manufactured by Marley Engineered Products are warranted against defects in workmanship and materials for one year from date of installation, except heating elements which are warranted against defects in workmanship and materials for five years from date of installation. This warranty does not apply to damage from accident, misuse, or alteration; nor where the connected voltage is more than 5% above the nameplate voltage; nor to equipment improperly installed or wired or maintained in violation of the product's installation instructions. All claims for warranty work must be accompanied by proof of the date of installation.

The customer shall be responsible for all costs incurred in the removal or reinstallation of products, including labor costs, and shipping costs incurred to return products to Marley Engineered Products Service Center. Within the limitations of this warranty, inoperative units should be returned to the nearest Marley authorized service center or the Marley Engineered Products Service Center, and we will repair or replace, at our option, at no charge to you with return freight paid by Marley. It is agreed that such repair or replacement is the exclusive remedy available from Marley Engineered Products.

THE ABOVE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED, AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WHICH EXCEED THE AFORESAID EXPRESSED WARRANTIES ARE HEREBY DISCLAIMED AND EXCLUDED FROM THIS AGREEMENT. MARLEY ENGINEERED PRODUCTS SHALL NOT BE LIABLE FOR CONSEQUENTIAL DAMAGES ARISING WITH RESPECT TO THE PRODUCT, WHETHER BASED UPON NEGLIGENCE, TORT, STRICT LIABILITY, OR CONTRACT.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

For the address of your nearest authorized service center, contact Marley Engineered Products in Bennettsville, SC, at 1-800-642-4328. Merchandise returned to the factory must be accompanied by a return authorization and service identification tag, both available from Marley Engineered Products. When requesting return authorization, include all catalog numbers shown on the products.
