## **Transform Health Care Environments**

### **UPDATED** Bio Cart HEPA 10 & Bio Cart HEPA-UVC 15

Bio Cart 15 Cutaway

Promotes effortless facility maintenance

Quick set-up and breakdown

**Ease of Operation** 

Features intuitive, user-friendly design

Specs subject to change without notice.

#### **FACILITATES EASY MAINTENANCE AND OPERATION**

Experience maintenance made simple with the Bio Cart HEPA 10 and Bio Cart 15 HEPA-UVC PREMIUM. Designed with health care professionals in mind, these portable containment units redefine ease of maintenance in any health care setting.

Their user-friendly designs facilitate effortless operation, while their innovative features allow for quick and efficient maintenance. Whether it's the Bio Cart 10's telescoping ladder or the Bio Cart 15's integrated video camera and monitor, every element is thoughtfully designed to make your maintenance tasks smoother and more manageable. With the Bio Cart series, ensure your health care facilities remain in peak condition with minimal effort.

# **Bio Cart Specifications**

Air Scrubber Fan	880 CFM@300 watt • 62 Db at maxspeed
	reachIng up to 6 air changes per minute
Bellows	Fire retardant black and yellow vinyl that Is 3
	Inches high when collapsed with a total unit
	height of 10 feet when extended
Cable Pass Through	Cable feed through
Caution Sign	Externally visible LED "IN USE" light
Construction	Extruded aluminum frame and walls made of
	white melamine with a thermal coating skin
	provide a durable and easy to clean surface
Control Panel	Control panel with air scrubber on/off control
	and manual lift up/down switch and Remote
	Control for ease of use. Also turns on the air
	scrubber and power
Document Protection	Document holder on door
Door	Aluminum frame with a white thermal bonded
	skin that Is 32 Inches W, 73 Inches H. Locks from
	Inside or outside
Filtration	Electrostatic disposable pads pre-filter, and a
	99.97% 0.3 Micron HEPA filter
Ladder	13 ft. telescoping aluminum ladder that meets
	OSHA requirements for electrical safety and
	class A rated for 300 lbs.
Lighting	Interior white LED lighting
Power Cord	25 ft. long power cord with grounded plug
Power Outlets	Duplex power outlet
Size Collapsed	73 L, 32 W, 77 inches H
Size Fully Extended	73 L, 32 W, 120 Inches H
Top Lifting Mechanism	Power lift with foam seal at top, for ceilings from
	7 ft to 10 ft. 2 in. hight
Weight	450 lbs, with ladder and all air scrubber filters
1	installed
Wheels	4 Inches dia. x 2 Inches wide non-marking. Two
	with wheel brakes and two with swivel locks
Windows	Front and back windows
UPC	850040074963
SKU	FG0283
31/0	1 40200
