"No. 13" Orbital Floor Machine

Commercial grade multi-purpose floor machine. Easy to use finger control. Extremely versatile and effective for all flooring surfaces.

"No. 13" Orbital Floor Machine is an Orbital, single-disc machine, especially suited for cleaning and maintenance of all hard floorings like natural stone, vinyl tile, brick, concrete and wooden flooring. With the optionally available scrubbing-brush "No.13" floor Machine becomes the perfect machine for wet-cleaning of heavily polluted surfaces. The machine is ideal machine for your professional rental business. Because of its orbital movement, "No. 13" floor machine is easy to be handled. The machine comes standard equipped with a pad driver, white polish pad and blue medium grade scrub brush.
