

MC1375

CANISTER STEAM SYSTEM

About the MC1375

The McCulloch MC1375 Canister Steam System is a multi-purpose steam cleaner, great for cleaning and mopping. Using ordinary water heated to over 200°F, the MC1375 effectively and naturally cleans and sanitizes a wide variety of surfaces. Includes 20 versatile accessories. Variable steam control, up to 58 psi makes MC1375 great for blasting away grease and grime. Backed by a 1-year warranty and supported in Andover, Kansas. With over 50 years of experience in the design and manufacture of outdoor power equipment, McCulloch has established an unrivalled reputation for design, reliability, and value in a wide range of outdoor, garden and workshop products.
