

RAINBOWAIR™

Advanced Electronic Deodorizing Technology

Activator 250

Ozone Generator

The **Rainbowair Activator 250 Series II** delivers powerful ozone treatment for spaces up to 2,500 sq. ft. With variable output up to 250 mg/hr and a 60-minute timer, it's easy to customize treatment for a variety of odor challenges, including smoke, pet odors, mold, and musty smells. Designed to perform in high-humidity environments, the Activator 250 ensures effective odor removal and fresher air throughout the space.

Key Benefits

- ✓ **Destroys Odors at the Source:** Oxidizes and eliminates odor-causing gases from smoke, pets, food, mold, mildew, garbage, and renovation VOCs—removing odors rather than masking them.
- ✓ **Broad-Spectrum Treatment:** Neutralizes contaminants in the air and on surfaces, including fabrics, walls, ceilings, and water.
- ✓ **Independent of Airflow:** Unlike filters or traditional air purifiers, ozone disperses naturally to reach and treat the source of contamination.
- ✓ **Ion Generation for Cleaner Air:** Corona discharge technology produces ions that cause dust and particulates to clump together and settle, improving overall air quality.
- ✓ **Enhances Environmental Hygiene:** Promotes cleaner, healthier, and more sanitary spaces by addressing both airborne and surface contaminants.
- ✓ **Versatile Applications:** Effective across restoration, remediation, facility maintenance, and other commercial or industrial environments.

MODEL: 5210-II

Coverage Area	2,500 sq. ft.
Ozone Output	250 mg/hr
Output Type	Variable
Timer	Up to 1 Hour
Fan Output	103 CFM
Cabinet Color	Black
Dimensions	11.25"L x 9"W x 6.5"H
Weight	8.3 lbs.
Voltz / Hertz	120 / 60
Watts / Amps	40 / 0.35
Filter	Sporax
Power Cord	6 ft., Removable
Life Expectancy	10 - 15 Years
Warranty	5 Years

**NATURAL POWER
FOR PROFESSIONAL
ODOR ELIMINATION**

Activator 2000	20,000 sq. ft.	2,000 mg/hr	Variable	Up to 24 Hours, Continuous	✓	15.9 lbs.

Maintenance & Accessory Kits

Maintenance Kit RAKIT52

Routine maintenance helps your equipment operate safely, efficiently, and consistently to deliver the fresh, clean air you expect. That's why we provide maintenance kits for all of our products, making it easy to protect your investment and keep your system performing at its best.

Kit includes (2) generator plates, (2) fuses, (6) alcohol wipes, (6) Sporax antimicrobial filters, (1) soft bristle brush, and clear cleaning and replacement instructions for a hassle-free experience.

Single Auto Kit AUTO-KIT

Expand the versatility of your Rainbowair Activator with the Auto Accessory Kit – designed to deliver powerful ozone deodorization to any vehicle interior. This convenient kit allows you to pipe ozone directly from your Rainbowair unit into a car, truck, or other enclosed vehicle without needing to power the unit inside. Perfect for automotive detailing, rental fleets, or service centers looking to eliminate tough odors at the source.

Kit includes (1) flange, (1) 5-ft hose, (2) blocks of foam, and easy installation instructions.
