

RAINBOWAIR™

Advanced Electronic Deodorizing Technology

Activator 2000 Ozone Generator

The **Rainbowair Activator 2000 Series II** delivers powerful ozone treatment for spaces up to 20,000 sq. ft. With variable output up to 2,000 mg/hr and a timer of up to 24 hours with auto shutoff or continuous operation, it tackles large-scale odor challenges with ease. Built to perform in high-humidity environments, it provides effective odor removal and fresher air throughout the space, making it ideal for car detailing, facility maintenance, carpet cleaning, and restoration.

Key Benefits

- ✓ **Destroys Odors at the Source:** Oxidizes and eliminates odor-causing gases from smoke, pets, food, mold, mildew, garbage, and renovation VOCs—removing odors rather than masking them.
- ✓ **Broad-Spectrum Treatment:** Neutralizes contaminants in the air and on surfaces, including fabrics, walls, ceilings, and water.
- ✓ **Independent of Airflow:** Unlike filters or traditional air purifiers, ozone disperses naturally to reach and treat the source of contamination.
- ✓ **Ion Generation for Cleaner Air:** Corona discharge technology produces ions that cause dust and particulates to clump together and settle, improving overall air quality.
- ✓ **Enhances Environmental Hygiene:** Promotes cleaner, healthier, and more sanitary spaces by addressing both airborne and surface contaminants.
- ✓ **Versatile Applications:** Effective across restoration, remediation, facility maintenance, and other commercial or industrial environments.

MODEL: 5600-II

Coverage Area	20,000 sq. ft.
Ozone Output	2,000 mg/hr
Output Type	Variable
Timer	Up to 24-Hours, Continuous
Fan Output	206 CFM
Cabinet Color	Black
Dimensions	11.75"L x 13"W x 9"H
Weight	15.9 lbs.
Voltz / Hertz	120 / 60
Watts / Amps	60 / 0.85
Filter	Sporax
Power Cord	6 ft., Removable
Life Expectancy	10 - 15 Years
Warranty	5 Years

NATURAL POWER FOR PROFESSIONAL ODOR ELIMINATION

Activator 500	5,000 sq. ft.	500 mg/hr	Variable	Up to 1 Hour	✓	8.6 lbs.
Activator 1000	10,000 sq. ft.	1,000 mg/hr	Variable	Up to 24 Hours or Continuous	✓	10.2 lbs.
Activator 2000	20,000 sq. ft.	2,000 mg/hr	Variable	Up to 24 Hours or Continuous	✓	15.9 lbs.

Maintenance & Accessory Kits

Maintenance Kit RAKIT56

Routine maintenance helps your equipment operate safely, efficiently, and consistently to deliver the fresh, clean air you expect. That's why we provide maintenance kits for all of our products, making it easy to protect your investment and keep your system performing at its best.

Kit includes (6) generator plates, (2) fuses, (6) alcohol wipes, (6) Sporax antimicrobial filters, (1) soft bristle brush, and clear cleaning and replacement instructions for a hassle-free experience.

Dual Auto Kit AUTO-KITII

Expand the versatility of your Rainbowair Activator with the Dual Auto Accessory Kit – designed to deliver powerful ozone deodorization to any vehicle interior. This convenient kit allows you to pipe ozone directly from your Rainbowair unit into a car, truck, or other enclosed vehicle without needing to power the unit inside. Perfect for automotive detailing, rental fleets, or service centers looking to eliminate tough odors at the source.

Kit includes (2) flanges, (2) 5-ft hoses, (4) blocks of foam, and easy installation instructions.
