

R27CV

CLEAN AIR
CORDLESS
POWER VACUUM

Cordless is More.

Experience full-size cleaning power—without the cord. The Riccar R27CV Cordless Upright Vacuum is built for homes that demand premium filtration and total flexibility. No cord means no limits. Clean carpets, bare floors, and above-floor areas with ease.

Freedom to Move Freedom to Clean

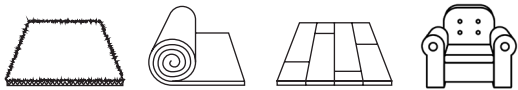

The R27CV delivers a true cordless upright experience. Enjoy up to 15 feet above-floor reach. Tackle rooms, stairs, and furniture—no cords, no hassle. Switch brushroll speeds with the touch of a button to seamlessly transition from carpet to hardwood and clean anywhere.

Clean Air Cordless Power Upright Vacuum

CARPET | RUGS | BARE FLOORS | UPHOLSTERY

EFFORTLESS CLEANING

From dark corners to low-clear spaces this vacuum handles it all. Adjust your vacuum to lay flat to clean under beds, chairs and tables. The Ultra-Bright LED Headlights reveal dust and debris to clean in dark areas and the ComfortGrip handle ensures effortless cleaning.

RELIABLE PERFORMANCE, MINIMAL MAINTENANCE

Built to last with features that protect and extend vacuum life, this vacuum offers two brushroll speeds to tackle all floor types. A floating nozzle adjusts to floor variations to maintain optimal contact for better suction and cleaning, while jam sensor technology automatically stops the brushroll to prevent damage.

ADVANCED FILTRATION

The top-load vacuum bag has a charcoal HEPA layer that not only fights odors but also filters 99.97% (down to 0.3 microns) of dust and allergens, ensuring the air in your home gets cleaner as you vacuum. The high efficiency pleated, Genuine HEPA and Granulated Charcoal Filter Set protects against dust, debris and common household allergens.
