### HASSLE FREE CLEANING DITCH THE MOP AND BUCKET

Break up with your mop and bucket for good. Use our R70 instead and bask in its self-cleaning technology that cleans the brush rolls, flushes dirt and debris into a separate dirty water tank and dries the brush roll. It even locks in place in self-standing mode unlike your traditional old mop.

### STAY IN THE KNOW WITH SMART COMMANDS

Smart Commands provide voice alerts throughout cleaning, self-cleaning, and drying to keep you informed of mode changes, battery levels, water tank status, and any blockages or jams.

### POWERFUL BUILT-IN HANDHELD VACUUM

Detach to clean tight corners, upholstery, or car messes with ease. Includes LED crevice tool, dusting brush, and adjustable speeds for total control.

### COMPACT CHARGING & STORAGE

Charging base powers the smart mop and is used for cleaning and drying the brushroll. Convenient onboard base storage keeps your tools organized.
